

VariableList< StaffDataVariable >

```
classDiagram
    class VariableList["VariableList< StaffDataVariable >"]
    class StaffDataVariableListVariable
    StaffDataVariableListVariable --|> VariableList
```

The diagram illustrates a class hierarchy. At the top is the base class, VariableList< StaffDataVariable >, represented by a white box with a black border and three horizontal sections. The first section contains the class name, while the other two are empty. Below it is the derived class, StaffDataVariableListVariable, represented by a gray box with a black border and three horizontal sections. The first section contains the class name, while the other two are empty. A blue arrow with an open triangular head points from the top of the StaffDataVariableListVariable box to the bottom of the VariableList< StaffDataVariable > box, indicating that StaffDataVariableListVariable inherits from VariableList< StaffDataVariable >.
