

VariableList< ChefDataVariable >

```
classDiagram
    class VariableList["VariableList< ChefDataVariable >"]
    class ChefDataVariableListVariable
    ChefDataVariableListVariable --|> VariableList
```

The diagram illustrates a class hierarchy. At the top is the base class, VariableList< ChefDataVariable >, represented by a white box with a black border and two empty internal compartments. Below it is the derived class, ChefDataVariableListVariable, represented by a gray box with a black border and two empty internal compartments. A blue arrow with an open triangular head points from the top of the derived class box to the bottom of the base class box, indicating inheritance.
