The diagram illustrates a flow of data or control from two source components to a single target component. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'ProvideFoodSlotData.SetItem SlotData' and the bottom box contains 'ProvideFoodSlotData.Start'. On the right, there is a larger gray rectangular box with a black border containing the text 'ProvideFoodSlotData.SetProvide FoodData'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a directed relationship or data flow.
