

DetailUI.OnUpdate

```
graph LR; A[DetailUI.OnUpdate] --> B[DetailUI.CheckDisplay]; B --> C[DetailUI.SetDisplay];
```

A flowchart illustrating a sequence of three UI-related operations. The first operation, 'DetailUI.OnUpdate', is highlighted with a dark gray background. A blue arrow points from this box to the second box, 'DetailUI.CheckDisplay', which has a light gray background. Another blue arrow points from the second box to the third box, 'DetailUI.SetDisplay', also with a light gray background. The boxes are arranged horizontally and connected by arrows pointing from left to right.
