

Variable< SearchType >

```
classDiagram
    class Variable["Variable< SearchType >"]
    class SearchTypeVariable
    Variable <|-- SearchTypeVariable
```

The diagram illustrates a class hierarchy. At the top is the 'Variable< SearchType >' class, represented by a white box with a black border and three horizontal compartments. The top compartment contains the class name. Below it are two empty compartments. At the bottom is the 'SearchTypeVariable' class, represented by a gray box with a black border and three horizontal compartments. The top compartment contains the class name. Below it are two empty compartments. A blue arrow with an open triangular head points from the top of the 'SearchTypeVariable' box to the bottom of the 'Variable< SearchType >' box, indicating that 'SearchTypeVariable' inherits from 'Variable< SearchType >'.
