

StaminaPresenter.BarSetting

```
graph LR; A[StaminaPresenter.BarSetting] --> B[StaminaController.SetValue]; B --> B;
```

The diagram illustrates a sequence of operations. It begins with a gray rectangular box labeled 'StaminaPresenter.BarSetting'. A straight blue arrow points from this box to a white rectangular box labeled 'StaminaController.SetValue'. Above the 'StaminaController.SetValue' box, a curved blue arrow originates from its top edge and points back to the same box, indicating a self-call or a recursive operation.

StaminaController.SetValue
