

DecoNullCheckTargetOrder  
FoodCustomer.OnConditionCheck

```
graph LR; A["DecoNullCheckTargetOrder  
FoodCustomer.OnConditionCheck"] --> B["BaseCustomerDecorator.Get  
CustomerData"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'DecoNullCheckTargetOrder' and 'FoodCustomer.OnConditionCheck'. The right box is white and contains the text 'BaseCustomerDecorator.Get' and 'CustomerData'.

BaseCustomerDecorator.Get  
CustomerData
