

EdibleItem

```
classDiagram
    class EdibleItem
    class Ingredient
    class DataBase
    class Set
    EdibleItem <|-- Ingredient
    EdibleItem <|-- DataBase
    EdibleItem <|-- Set
```

The diagram illustrates a class hierarchy. A large light blue rectangle with a dashed border represents the 'EdibleItem' class. Inside this rectangle, at the bottom, is a smaller light blue rectangle with a solid black border. This inner rectangle contains three elements: the text 'Ingredient' on the left, a box labeled 'DataBase' in the center, and a box labeled 'Set' on the right. This visual arrangement indicates that 'Ingredient', 'DataBase', and 'Set' are subclasses of 'EdibleItem'.
