

EdibleItem

```
classDiagram
    class EdibleItem
    class Ingredient
    class DataBase
    class Set
    EdibleItem <|-- Ingredient
    EdibleItem <|-- DataBase
    EdibleItem <|-- Set
```

The diagram illustrates a class hierarchy. A large light blue rectangle with a dashed border represents the 'EdibleItem' class. Inside this rectangle, at the bottom, is a smaller light blue rectangle with a solid black border. This inner rectangle contains three smaller light blue rectangles with solid black borders, arranged horizontally. These are labeled 'Ingredient', 'DataBase', and 'Set' from left to right, indicating they are subclasses of 'EdibleItem'.
